- Angie Splittgerber announced the slate for the HPNA nomination committee: Patrick Thomas (NHP), Derek Moore (CHP), Andrew Johnson (SHP), Lisa Ruskanen (SHP/Board) and Terry Miller (CHP/Board). No other nominations came from the floor. Jenna Munoz moved to accept the slate and Paul Stevermer seconded. Slate approved. (24 in favor, none opposed, none abstaining).

Angie Splittgerber introduced the Bainbridge parking working group. The group consisted of 3 members of the Hyde Park Neighborhood Association, 4 residents of the Bainbridge Apartments, 2 members of the KCPD, 2 members of the Eaglepoint management team at the Bainbridge, the pastor of Central Presbyterian Church, and one member of Phoenix Family Housing, many of whom were present at the meeting. The group made the following recommendations: (1) that there should be "no parking" signs in front of the Bainbridge (on Armour Blvd. between

Harrison and Campbell, on the north and south sides of the street); (2) that there should be three handicapped parking places on the north side of Armour between Harrison and Campbell; (3) that there should be two handicapped parking places on Harrison on the east side of the Bainbridge; (4) that since replacing the “no parking” signage on Armour would eliminate about twenty parking places, that the Bainbridge management would work to relax the rules regulating who gets to park in the Bainbridge parking lots-- specifically, Bainbridge management will work with tenants on a case-by-case basis to allow for parking in instances in which a specific vehicle may not be registered or insured in that tenant’s name, which is a current requirement for parking permission and Bainbridge management is willing to work with residents who request parking lot permission for out-of-town visitors, etc. and will inform tenants of these changes via a flyer; (5) Phoenix Family will work with tenants who need assistance insuring their vehicles; (6) KCPD agreed to monitor closely whether loitering and possible illegal activity having to do with drugs will move onto Harrison and Campbell from Armour Blvd. after these changes are made.

Questions were fielded from attendees regarding police statistics and documentation of crime around the Bainbridge, whether any agreements with Bainbridge management were in writing, the size of the Bainbridge lot, & a procedure for Bainbridge residents to object to the recommendations. Claudia Toomim moved for a vote to approve the recommendations and Tamara Miller seconded. The motion passed by majority.

Angie Splittgerber announced that the CID committee had provided informational flyers and questionnaires regarding the potential CID for attendees to complete and provide to board members.

Denise Cross and all attendees thanked Cornerstones staff for all their efforts in making it a special ice cream social. Meeting adjourned.
